Bulletin 130-D08/103-08

The King, Bulldog, and Senator Pumps are Now Obsolete!

The New Year is here, and with it the final conversion to Graco's new pumps with NXT technology. The King, Bulldog, and Senator pumps are no longer available. The new pumps with NXT technology have been widely accepted and have raised the performance standards for pneumatic finishing pumps.

Graco will continue to provide parts and service for the King, Bulldog, and Senator pumps for years to come. Talk to your local Graco representative today if you have any questions regarding the new standard in finishing pumps. A conversion list of old to new pumps is attached.

Regards,
