PrecisionMix I Control Board Obsolescence

Due to the obsolescence of electrical components, Graco will no longer supply PrecisionMix I Control Board assemblies. The following service parts are no longer available.

<u>Part Number</u>	<u>Description</u>
949372	Control I/O Programmed
949373	Control I/O Programmed
111663	Control I/O

Since PrecisionMix I proportioners were obsoleted, Graco has released PrecisionMix II and most recently the new and exciting ProMix 2KS platform. For upgrade options please contact your local Finishing account manager.

Best regards,
